[REDACTED] **Full Field Investigation Instituted:** 04/17/2000 (NONUSPER)

Details: [REDACTED] The purpose of this communication is to advise the Bureau and New York of the possibility of a coordinated effort by USAMA BIN LADEN (UBL) to send students to the United States to attend civil aviation universities and colleges. Phoenix has observed an inordinate number of individuals of investigative interest who are attending or who have attended civil aviation universities and colleges in the State of Arizona. The inordinate number of these individuals attending these type of schools and fatwas issued by AL-

Re: [REDACTED], 07/10/2001

MUHJIROUN spiritual leader SHEIKH OMAR BAKRI MOHAMMED FOSTOK, an ardent supporter of UBL, gives reason to believe that a coordinated effort is underway to establish a cadre of individuals who will one day be working in the civil aviation community around the world. These individuals will be in a position in the future to conduct terror activity against civil aviation targets.

Phoenix believes that the FBI should accumulate a listing of civil aviation universities/colleges around the country. FBI field offices with these types of schools in their area should establish appropriate liaison. FBIHQ should discuss this matter with other elements of the U.S. intelligence community and task the community for any information that supports Phoenix's suspicions. FBIHQ should consider seeking the necessary authority to obtain visa information from the USDOS on individuals obtaining visas to attend these types of schools and notify the appropriate FBI field office when these individuals are scheduled to arrive in their area of responsibility.

Phoenix has drawn the above conclusion from several Phoenix investigations to include captioned investigation and the following investigations: [REDACTED], a Saudi Arabian national and two Algerian Islamic extremists [REDACTED] and [REDACTED].

Investigation of ZAKARIA MUSTAPHA SOUBRA was initiated as the result of information provided by [REDACTED] a source who has provided reliable information in the past. The source reported during April 2000 that SOUBRA was a supporter of UBL and the [REDACTED] AL-MUHJIROUN. SOUBRA arrived in Arizona from London, England on 08/27/1999 on an F-1 student visa to attend EMBRY RIDDLE UNIVERSITY (ERU), Prescott, Arizona. ERU only teaches courses related to the field of aviation. SOUBRA is an Aeronautical Engineering student at ERU and has been taking courses in "international security" relating to aviation. SOUBRA, within weeks of his arrival at Prescott, Arizona, [REDACTED], supporting UBL, at Mosques located throughout Arizona. SOUBRA has also organized anti United States and Israeli demonstrations in the area of ARIZONA STATE UNIVERSITY (ASU), Tempe, Arizona. He has also established and organized an Islamic student association on the ERU campus organizing the Muslim student population on the ERU campus.

Phoenix has identified several associates of SOUBRA at ERU who arrived at the university around the same time that he did. These individuals are Sunni Muslims who have the same radical fundamentalists views as SOUBRA. They come from Kenya, Pakistan,

United Arab Emirates, India, Saudi Arabia and Jordan. SOUBRA's associates are:

[REDACTED], a Saudi Arabian national [REDACTED] is enrolled in the ERU Pilot Training program.

[REDACTED], a Kenyan who traveled to the U.S. on [REDACTED] passport [REDACTED] is enrolled in the ERU Pilot Training program.

[REDACTED], an Indian who traveled to the U.S. on [REDACTED] passport [REDACTED] is enrolled in the ERU Aeronautical Engineering program.

[REDACTED], Saudi Arabian who traveled to the U.S. on [REDACTED] passport [REDACTED] is enrolled in the ERU Pilot Training program.

[REDACTED] a Jordanian (possible Palestinian) who traveled to the U.S. on [REDACTED] is enrolled in the ERU Aeronautical Engineering program.

[REDACTED], a Pakistani who traveled to the U.S. on [REDACTED] passport [REDACTED]. It is currently unknown what [REDACTED] field of study is.

[REDACTED], it is unknown at the time of this writing where [REDACTED] is from, [REDACTED] is enrolled in the ERU Aeronautical Engineering program.

The above individuals are involved with SOUBRA and regularly participate in meetings with him in Prescott, Arizona.

FBIHQ, IRS Elizabeth Matson, RFU, wrote an analytical paper on the AL-MUHAJIROUN, dated 11/09/1999, in support of FBINY investigation captioned: [REDACTED]

[REDACTED]. IRS Matson's research paper can be found in [REDACTED]. The following information was gleaned from IRS Matson's research paper.

The AL-MUHAJIROUN, which in English means THE EMIGRANTS, is a Sunni Muslim fundamentalist organization based in the United Kingdom. The organization's spiritual leader is SHEIKH OMAR BAKRI MOHAMMED FOSTOK. The organization is dedicated to the overthrow

of Western society. British officials have reported that FOSTOK first came to their attention during the Gulf War after calling for the assassination of British Prime Minister John Major. FOSTOK has connections to UBL, JAMMAT AL-MUSLIMIAN (JM), HAMAS, HIZBALLAH and the ALGERIAN SALVATION FRONT.

[REDACTED] FOSTOK has made several controversial statements to the press. For example, he stated in public interviews that the bombings of the United States Embassies in Africa were "legitimate targets."

[REDACTED] FOSTOK, while representing the AL-MUHAJIROUN, signed a fatwa (religious decree) during February 1998 which stated the following:

[REDACTED] " The Fatwa is jihad against the U.S. and British government, armies, interests, airports (emphasis added by FBI Phoenix), and instructions and it has been given because of the U.S. and British aggression against Muslims and the Muslim land of Iraq...we...confirm that the only Islamic Fatwa against this explicit aggression is Jihad. Therefore the message for the British governments or any other government of non-Muslim countries is to stay away from Iraq, Palestine, Pakistan, Arabia, etc...or face full scale war of Jihad which it is the responsibility and the duty of every Muslim around the world to participate in...We...call upon...Muslims around the world including Muslims in the USA and in Britian to confront by all means whether verbally, financially, politically or militarily the U.S. and British aggression and do their Islamic duty in relieving the Iraqi people from the unjust sanctions."

[REDACTED] SOUBRA was interviewed by FBI Phoenix on 04/07/2000 and 05/11/2000 at his residence. On 04/07/2000, interviewing Agents observed photocopied photographs of UBL, IBN KHATTAB and wounded Chechnyan Mujahadin tacked to his livingroom wall. SOUBRA admitted to [REDACTED] in the State of Arizona. SOUBRA stated that he considers the United States Government and U.S. Military forces in the Gulf as "legitimate military targets of Islam." He also stated that the targeting of the U.S. Embassies in Africa was "legitimate." SOUBRA denied having received any military training. However; Phoenix believes that SOUBRA was being less than truthful in this regard. SOUBRA was defiant towards interviewing Agents and it was clear that he was not intimidated by the FBI presence. It is obvious that he is a hardcore Islamic extremist who views the U.S. as an enemy of Islam. Investigation of SOUBRA is continuing.

[REDACTED] Phoenix has not been able to show a direct association between [REDACTED] and [REDACTED] had departed the U.S. prior to [REDACTED] arrival. However, both [REDACTED] and [REDACTED] have associated with the [REDACTED] Arizona and it is highly probable that they know people in common.

[REDACTED] Investigations of [REDACTED] and [REDACTED] were predicated on information received from the [REDACTED] demonstrating that both subjects were involved with [REDACTED] activity. Both individuals also have association(s) with individuals associated with [REDACTED] who lived in Phoenix from the mid 1990s - 1997 left the United States after graduating from [REDACTED] has been identified as a friend of both [REDACTED] and [REDACTED]

[REDACTED] a known supporter of the [REDACTED] Phoenix has not developed any information linking these [REDACTED] with the other subjects referenced in this communication.

[REDACTED] Phoenix believes that it is more than a coincidence that subjects who are supporters of UBL are attending civil aviation universities/colleges in the State of Arizona. As receiving offices are aware, Phoenix has had significant UBL associates/operatives living in the State of Arizona and conducting activity in support of UBL. WADIH EL-HAGE, a UBL lieutenant recently convicted for his role in the 1998 bombings of U.S. Embassies in Africa, lived in Tucson, Arizona for several years during the 1980s. ESSAM AL-RIDI, a personal pilot for UBL, traveled to Tucson, Arizona during 1993 at the direction of AL-HAGE to procure a T-39 jet aircraft for UBL's personal use: [REDACTED]

[REDACTED] Phoenix believes that it is highly probable that UBL has an established support network in place in Arizona. This network was most likely established during the time period that EL-HAGE lived in Arizona.
